Re: Case No. 2016-00115
Ohio County Water District

Dear Mr. Greenwell:

On March 9, 2016, Ohio County Water District advised the Commission of its intent to file an application for a Certificate of Public Convenience and Necessity and for Authorization to Issue an Evidence of Indebtedness no later than April 30, 2016. Because of problems with bidding procedures, the submission of the Application has been delayed. Ohio County Water District current anticipates filing its Application no later than May 31, 2016.

Please contact me if Commission Staff has any questions regarding the proposed Application.

Very truly yours,

Stoll Keenon Ogden PLLC
